

Bi-Polar Bear (Album Version)

Stone Temple Pilots

So I'm letting it go again
I'm halfway full on
Left my meds on the sink today
My head will be racing by lunchtime So I'm holding her hand again
My palm sweats
Hold on
Think I've had too much coffee
I'm manic as hell
But I'm goin' strong
Left my meds on the sink again
My head will be racing by lunchtime Don't sleep behind the wheel at the stoplight
Can't sleep behind the wheel as you're drivin' home You keep comin' down the hill as you're fallin'
You keep fallin' from the hill as you're comin' down
