

# Candy By The Pound

Elton John

Well I'm keeping off the streets  
Since you came to town  
Since you claimed my heart  
From the lost and found  
I have said goodbye to my foolin' around  
Now you and me babe we got candy by the pound  
Mmm you and me babe we got candy by the pound  
Wooh wooh  
Well I never knew it could feel so good  
Be the king of the hill in my neighborhood  
Rain on my roof what a sweet sound  
Oh with you underneath it's like candy by the pound  
Mm with you underneath it's like candy by the pound  
Wooh wooh  
You can tell everybody that this girl of mine  
Is sweeter than the grapes hanging from the vine  
Love like wine honey drinking till I drown  
Keep it coming baby like candy by the pound  
Oh no what's come over me  
If I am dreamin' then let me sleep  
Oh wow I'm Heaven bound  
Love is getting sweeter than candy by the pound  
Wooh wooh  
Now I'm ducking in the alley of common sense  
(Ooh)  
Hiding from the claws of my old girl friend  
  
(Ooh)  
She's screaming murder beating my door down  
While I'm right behind it I'm eating candy by the pound  
I'm right behind it eating I'm candy by the pound  
You can tell everybody that this girl of mine  
Is sweeter than the grapes hanging from the vine  
Love like wine honey drinking till I drown  
Keep it coming baby like candy by the pound  
Oh no what's come over me  
If I am dreamin' then let me sleep  
Oh good God I'm Heaven bound  
Love is getting sweeter than candy by the pound

Love is getting sweeter than candy by the pound  
Your love's sweeter, is so much sweeter, it's sweeter  
Than candy by the pound  
Your love's sweeter, is so much sweeter, it's sweeter  
Than candy by the pound  
Wooh wooh  
Love is so much sweeter baby  
Love is so much sweeter baby  
(Love is so much sweeter baby)  
Sweeter baby  
(Love is so much sweeter baby)  
Sweeter than the candy by the pound  
Sweeter than the candy by the pound  
Sweeter than the candy by the pound  
Sweeter than the candy by the pound
