

Two Men In Love

The Irrepressibles

If I asked you now,
will you be my prince,
will you lay down your armour and be with me forever
When you open me all the power in me moves,
how you want to see all the depths of me real,
when you open me, all the power in me moves,
I feel realâ€¦

I love you

When I look into your eyes, thereâ€™s a danger inside,
when I see the edge I can never hide,
See me running, running, runningâ€¦
To you, from you, to youâ€¦

Thereâ€™s a strange love inside,
itâ€™s getting louder, and louder, and louder, and louder
Thereâ€™s a danger I canâ€™t hide,
who I am, itâ€™s who I am, itâ€™s who I am, itâ€™s who I amâ€¦

Iâ€™m in love

Gonna build you up gonna help you believe sunny!

Thereâ€™s a strange love inside,
itâ€™s getting louder, and louder, and louder, and louder, and louder
Thereâ€™s a danger I canâ€™t hide,
itâ€™s who I am, itâ€™s who I am, itâ€™s who I am, itâ€™s who I amâ€¦

Iâ€™M IN LOVE!

â€¦weâ€™re just two men in loveâ€¦
