

White Limbo

Australian Crawl

City sleeps, taxi sweeps
Avenue of broken dreams
No-one calls the angel falls
Alice is in wonderland
White man dance heat romance
Neon fashion chatter
Alice is in clubland
Wo-oh-oh-oh while limbo
Wo-oh-oh-oh while limbo
She's no Juliet or gigolo

Years may come
Years may go
Alice is in limbo
Alice cried, there's no romance
It's a hopeless dance
Babylon is broken
Alice cried the dream has died
There is no wonderland
