

Sand In My Joints (2006 Remastered Version)

Wire

I've got sand in my joints
I'm counting the grains
And they're so sharp
I'm feeling the pain I'm like King Canute's daughter
I'm a lamb to the slaughter
Put my feet in the water
It's not what they think It's not what it seems I've got sand in my joints
I'm counting the grains
And they're so sharp
I'm feeling the pain
Pain, pain
Pain, pain
Feeling the pain, p-p-pain
Feeling the pain, p-p-pain
Feeling the pain, p-p-pain
Feeling the pain, p-p-pain, p-p-pain
