

Here in My Heart

Erasure

Burning deep down inside like a fire
I can see in your eyes my desire
Here in my heart, I will love you forever
Fall in your arms, I am yours, yours to holdBright like the love in your eyes
I do know you love me
Crying alone in the night
Moments gone now forever tonightTell no lies, I can see softly screaming
Comes alive, comes to me, am I dreaming?
Here in my heart, I will love you forever
Fall in your arms, I am yours, yours to holdBright like the love in your eyes
I do know you love me
Crying alone in the night
Moments gone now forever, tonightBurning deep down inside like a fire
I can see in your eyes my desire
Here in my heart, I will love you forever
Fall in my arms, I am yours, yours to holdBright like the love in your eyes
I do know you love me
Crying alone in the night
Moments gone now forever, tonight
