

Valentine Girl (The C & C Quiet Storm Mix)

New Kids On the Block

There's not a star in the sky
That could equal to the sparkle in your eyes
This card is only one way
To let you know just how I feel[Chorus]
Will you be my Valentine girl
And I'll give you my heart
Forever
Be my Valentine girl
And I won't let you go
No neverAll of the flowers I've sent
Could never take the place
Of being there
Although we only just met
You're everything to me[Chorus]Be my, my Valentine girl
I need you
I want you
I want you in my world
Valentine girlI'll be there for you
Will you be there for me too
Valentine girl
