

# Past 12

## EZSpecial

I met this guy, he was always on the floor  
But he's dancing by himself, I don't know why  
    'Cuz he's lookin' hot to death  
So I began to think if I go out on the floor  
    There's a chance he'll notice me  
And when he did, it was poppin' sweet  
We can get out on the floor but take it slow  
    Baby, won't you keep it right there  
    Yeah, we can take it there  
Boy, I don't really care, it's all good with me  
We can bounce up in the club or kick it in ya truck  
    Long as it's sittin' on doves, it's love  
    'Cuz we ain't gotta go no where  
    let's get it crunk tonight  
I must admit that I'm not so bold  
    When it comes to other guys  
I ain't goin trip first for everything  
And I hope that this is a thing I won't regret  
When morning comes, when the party ends  
    Is it gonna be you and me?  
Boy, if the feeling's right we can rock all night for sure  
    Don't you know that?  
Boy, when the clock strikes two  
    I'm gonna be with you for sure  
    It's past 12 o'clock  
And I'm trying to put it on lock  
Makin' sure the party don't stop, bottles stay popped  
    Think I'm feelin' what you got  
    (All night)  
    It's past 12 o'clock  
And I'm trying to keep it on lock  
Won't you come and dance with me, then we'll see  
    If you're gonna be with me  
No coincidence two distant hearts on a map  
Both goin' no where fast, both late for an appointment  
    They end up together in a city cab  
They share a fare and some friendly conversation  
    That's no coincidence, that's love  
    She scrambles through her purse

He rushed in through the front lookin' for change  
There's a joke box in the back of the restaurant  
They start to dance 'til this day they're still dancing  
That's no coincidence that's love  
It's amazing, it's perfection  
how each little bitty star makes up  
One big constellation of people getting connected  
It's truly heaven sent, it's evident  
That love is no coincidence  
He snapped a photograph  
She took a sonogram  
She didn't tell him he shipped off to war in a foreign land  
Left home a soldier but came back a father  
That's no coincidence, that's love  
Somebody crashed her car, he's got a failing heart  
One thing can save them, an operation neither can afford  
But through visitation, two families get acquainted  
That's no coincidence, that's love  
How we intertwine is divine  
(Extraordinary)  
Open your eyes and you'll find  
(It's involuntary)  
Seasons have reasons for changing  
(So that everybody)  
Can find love, lose love, find love again
