Thank You

Estelle

Sometimes I wonder do you
Even recognize the woman
That's standing in front of you
Listen, sometimes I wonder do you
Even care or realize why I took care of you
'Cuz you're my heart
You are my soul
You're my other half
Without you I cannot be whole baby
So far apart
I just don't know
What drove us apart in the first place
Now I know baby
Why
These tears I cry sure won't be the last
They will not be the last .. no
'Cuz this pain inside never seems to pass
It never seems to pass me by
So I thank you
Said I thank you
Yes I thank you
For making me a woman
Sometimes I wonder could she be
More of a woman to you than you were a man to me
Listen, sometime I wonder .. why me
I'm here miserable while you're out living your fantasies
And didn't care
'Cuz you're my heart
You are my soul

You're my other half
Without you I cannot be whole baby
So far apart
I just don't know
What drove us apart in the first place
Now I know baby
Why
These tears I cry sure won't be the last
They will not be the last .. no

Cuz' this pain inside which never seems to pass
It never seems to pass me by
So I thank you
Said I thank you
Yes I thank you
For making me a woman
One thing I learned in life
We gotta be ready to sacrifice to survive
I hope she's happy
For the chapter that I'll be closing
Hope you're happy
'Cuz once my door close it won't reopen
These tears I cry sure won't be the last
They will not be the last .. no
This pain inside which never seems to pass
It never seems to pass me by
So I thank you
Said I thank you
Yes I thank you
For making me a woman
