

# Thank You

## Estelle

Sometimes I wonder do you  
Even recognize the woman  
That's standing in front of you  
Listen, sometimes I wonder do you  
Even care or realize why I took care of you  
'Cuz you're my heart  
You are my soul  
You're my other half  
Without you I cannot be whole baby  
So far apart  
I just don't know  
What drove us apart in the first place  
Now I know baby  
Why  
These tears I cry sure won't be the last  
They will not be the last .. no  
'Cuz this pain inside never seems to pass  
It never seems to pass me by  
So I thank you  
Said I thank you  
Yes I thank you  
For making me a woman  
Sometimes I wonder could she be  
More of a woman to you than you were a man to me  
Listen, sometime I wonder .. why me  
I'm here miserable while you're out living your fantasies  
And didn't care  
'Cuz you're my heart  
You are my soul  
  
You're my other half  
Without you I cannot be whole baby  
So far apart  
I just don't know  
What drove us apart in the first place  
Now I know baby  
Why  
These tears I cry sure won't be the last  
They will not be the last .. no

Cuz' this pain inside which never seems to pass  
It never seems to pass me by  
So I thank you  
Said I thank you  
Yes I thank you  
For making me a woman  
One thing I learned in life  
We gotta be ready to sacrifice to survive  
I hope she's happy  
For the chapter that I'll be closing  
Hope you're happy  
'Cuz once my door close it won't reopen  
These tears I cry sure won't be the last  
They will not be the last .. no  
This pain inside which never seems to pass  
It never seems to pass me by  
So I thank you  
Said I thank you  
Yes I thank you  
For making me a woman
