

# Moondance

Hubert Laws

Well, it's a marvelous night for a moondance  
With the stars up above in your eyes  
A fantabulous night to make romance  
'Neath the cover of October skies  
And all the leaves on the trees are falling  
To the sound of the breezes that blow  
And I'm trying to please to the calling  
Of your heart strings that play soft and low  
And all the night's magic  
Seems to whisper and hush  
And all the soft moonlight  
Seems to shine in your blush  
Can I just have one more moondance with you, my love?  
Can I just make some more romance with you, my love?  
Well, I wanna make love to you, tonight  
I can't wait 'til the morning has come  
And I know that the time is just right  
And straight into my arms you will run  
And when you come, my heart will be waiting  
To make sure that you're never alone  
There and then all my dreams will come true, dear  
There and then I will make you my own  
And every time I touch you  
You just tremble inside  
And I know how much you want me  
That you can't hide  
Can I just have one more moondance with you, my love?  
Can I just make some more romance with you, my love?  
Well, it's a marvelous night for a moondance  
With the stars up above in your eyes  
A fantabulous night to make romance  
'Neath the cover of October skies  
One more moondance with you in the moonlight  
On a magic night, la, la, la, la in the moonlight  
On a magic night  
Can't I just have one more dance with you, my love?
