

# Willing to Wait

Rihanna

Baby slow down, just here me out  
There's something I gotta let you know  
No need to push, no need to rush  
You know you had me from hello When it comes to my heart I don't play  
Baby boy can't you see the stop sign  
You're movin' much too fast  
Baby love doesn't grow in a day  
Let's get it right the first time  
Make this feeling last Baby if you're willing to wait  
We can just take our time (Take our time)  
Don't you know that it's getting late  
And I know what's on your mind  
I know this feeling is crazy  
It's mutual baby  
But we don't have to rush something real  
Baby if you're willing to wait  
We can just take our time (Take our time) Boy can't you see I'm not tryna be  
The girl who gets taken for a ride  
You take your time and you will find  
There's so much more to me inside  
And you say there's no need to delay  
You're telling me to trust you  
Boy, you know I want to baby  
But my heart can so easily break  
Before we take this very far show me who you really are Baby if you're willing to wait  
We can just take our time (Take our time)  
Don't you know that it's getting late  
And I know what's on your mind  
I know this feeling is crazy  
It's mutual baby  
But we don't have to rush something real  
Baby if you're willing to wait  
We can just take our time (Take our time) Baby love doesn't grow in a day  
Let's get it right the first time  
And make this feeling last Baby if you're willing to wait  
We can just take our time (Take our time)  
Don't you know that it's getting late  
And I know what's on your mind  
I know this feeling is crazy

It's mutual baby  
But we don't have to rush something real  
Baby if you're willing to wait  
We can just take our time (Take our time)
