Russia On Ice

Porcupine Tree

[part 1 - Wilson / part 2 (instrumental) - Barbieri, Edwin, Maitland, Wilson]You think I deserve this
You said I was stupid
All my thoughts are like coal
But Russia on ice is burning a holeCan't stop myself drinking
Can't stop being me
If I call will you come and will you save me ?I see the whole thing come down
I blow it to the ground
Well what the hell did you say ?
You said you hate me this way
It's just a matter of time
