

Scream

Avenged Sevenfold

Caught up in this madness, too blind to see
Woke animal feelings in me
Took over my sense and I lost control
I'll taste your blood tonight You know I make you wanna scream
You know I make you wanna run from me, baby
But no, it's too late, you've wasted all your time Relax while you're closing your eyes to me
So warm as I'm setting you free
With your arms by your side there's no struggling
Pleasure's all mine this time Ooh, you know I make you wanna scream
You know I make you wanna run from me, baby
But no, it's too late, you've wasted all your time Cherishing those feelings
Pleasuring
Cover me
Unwanted clemency Scream 'til there's silence
Scream while there's life left vanishing
Scream from the pleasure
Unmask your desire, perishing We've all had a time where we've lost control
We've all had our time to grow
I'm hoping I'm wrong but I know I'm right
I'll hunt again one night Ooh, you know I make you wanna scream
You know I make you wanna run from me, baby
But no, it's too late, you've wasted all your time Cherishing those feelings
Pleasuring
Cover me
Unwanted clemency Scream 'til there's silence
Scream while there's life left vanishing
Scream from the pleasure
Unmask your desire, perishing Some live repressing their instinctive feelings
Protest the way we're built
Don't point the blame on me Scream! Scream! Scream!
The way you would if I ravaged your body
Scream! Scream! Scream!
The way you would if I ravaged your mind Cherishing those feeling
Pleasuring
Cover me
Unwanted clemency Scream 'til there's silence
Scream while there's life left vanishing
Scream from the pleasure
Unmask your desire, perishing
