Scream

Avenged Sevenfold

Caught up in this madness, too blind to see

Woke animal feelings in me

Took over my sense and I lost control

I'll taste your blood tonightYou know I make you wanna scream

You know I make you wanna run from me, baby

But no, it's too late, you've wasted all your timeRelax while you're closing your eyes to me

So warm as I'm setting you free

With your arms by your side there's no struggling

Pleasure's all mine this timeOoh, you know I make you wanna scream

You know I make you wanna run from me, baby

But no, it's too late, you've wasted all your timeCherishing those feelings

Pleasuring

Cover me

Unwanted clemencyScream 'til there's silence

Scream while there's life left vanishing

Scream from the pleasure

Unmask your desire, perishingWe've all had a time where we've lost control

We've all had our time to grow

I'm hoping I'm wrong but I know I'm right

I'll hunt again one nightOoh, you know I make you wanna scream

You know I make you wanna run from me, baby

But no, it's too late, you've wasted all your timeCherishing those feelings

Pleasuring

Cover me

Unwanted clemencyScream 'til there's silence

Scream while there's life left vanishing

Scream from the pleasure

Unmask your desire, perishingSome live repressing their instinctive feelings

Protest the way we're built

Don't point the blame on meScream! Scream! Scream!

The way you would if I ravaged your body

Scream! Scream! Scream!

The way you would if I ravaged your mindCherishing those feeling

Pleasuring

Cover me

Unwanted clemencyScream 'til there's silence

Scream while there's life left vanishing

Scream from the pleasure

Unmask your desire, perishing
