Hunter

BjÅ³rk

If travel is searching
And home what's been found
I'm not stoppingI'm going hunting, I'm the hunter
I'll bring back the goods
But I don't know whenI thought I could organize freedom
How Scandinavian of me
You sussed it out, didn't you?You could smell it
So you left me on my own
To complete the mission
Now, I'm leaving it all behindI'm going hunting
I'm the hunter
I'm the hunterI'm going hunting
I'm the hunter
I'm the hunterI'm the hunter
I'm the hunter
I'm the hunter
