Flii Away

Auburn

I just wanna fly away
From all of this pain
Things don't feel the same
Feels like I'm to blame
I just wanna fly away
Can't believe you're gone
I feel so alone
Want you to come home...
[Verse 1]Now I've been sittin' here
Missing you
Thinkin' bout those crazy things
We used to do
And I can't help but think
That its cuz' of me
More than a friend, you were blood, you were family
And I try to stay happy but I can't
I wish that you were here
Things ain't the same
I wish that you would've listened
Should've paid more attention
But now it's to late..
I just wanna fly away
From all of this pain,
Things don't feel the same
Feels like I'm to blame
I just wanna fly away
Can't believe you're gone
I feel so alone
Want you to come home...
I just wanna fly away
From all of this pain
Things don't feel the same
Feels like I'm to blame
I just wanna fly away
Can't believe you're gone
I feel so alone
Want you to come home...
You know that it gets hard for me
Remeniscing bout' what we did

And it's killing me inside
I wish that I could change the past
(But I can't)
I wish that you were here with me
(But you ain't)
I know that things won't get better til' I move on
I wish I could, but the feelings so strong

Wish I had the chance to apologize.
No I never meant what I said that night
But now its too late
I just wanna fly away
From all of this pain,
Things don't feel the same
Feels like I'm to blame
I just wanna fly away
Can't believe you're gone
I feel so alone
Want you to come home...
I just wanna fly away
From all of this pain
Things don't feel the same
Feels like I'm to blame
I just wanna fly away
Can't believe you're gone
I feel so alone
Want you to come home...
I just wanna fly away
(I wish that I could fly away)
(Wish that I could fly away...to be with you)
I just wanna fly away
(I wish that I could fly away)
(Wish that I could fly away...to be with you)
I jus wanna fly away
(I'm missing you like crazy)
(Missin' you like crazy...wish that I could fly away)
I jus wanna fly away
(I'm missing you like crazy)
(Missin' you like crazy...wish that I could fly away)
I just wanna fly away
(I wish that I could fly away)
(Wish that I could fly away...wish that I could fly away)
I wish that I could fly awaaaay)
(ooh Ooh)
Wish that I could fly away

Fly Away
Fly Awaaay
I just wanna fly away
Fly Away
Fly Awaaay
Fly Away...
