

# Suffering Is the Art of Love

Fink

Wake up baby  
It's time for something else maybe  
Wake up darling  
As the open skies open their eyes  
And rain on your latest paradeSuffering is the art of it  
Suffering is the best part of it  
Suffering is the art of loveWake up darling  
Lets get out there and  
Time for some action  
Wake up baby - its time for  
A new direction  
Suffering is the art of it  
Suffering is the best part of it  
Suffering is the art of loveWake up babySuffering is the art of it  
Suffering is the best part of it  
Suffering is the art of love  
Wake up baby  
Wake up darling  
It's time for something else  
Open skies open your eyes and  
Rain on your latest paradeIt's the art of it  
It's the art  
Ooooooooooooo.....
