

# Disco Love

## The Saturdays -

What you say, Mr lovable, hey, Mr love-lovable  
What you say, Mr got it all, hey, Mr got it got it all  
We got the disco love, so fun and colorful  
It's never winter when it's Donna Summer all year long  
You take me back in time, to 1979  
We'll be at the Bee Gees, baby everybody staying alive

Oh is it love that's in the air, baby baby baby  
Oh feel the chemistry in here, baby baby baby  
Boy you make me feel so fine  
Boy you make me feel so good  
Boy you make me feel so right  
Baby baby baby  
Oh is it love that's in the air, baby baby baby

What you say, Mr doable, hey, Mr do-doable  
Got me wanting the physical, hey, the physi-physical  
We got the disco love, so fun and colorful  
It's never winter when it's Donna Summer all year long  
You take me back in time, to 1999  
We hear the DJ playing Hit Me Baby One More Time

Oh is it love that's in the air, baby baby baby  
Oh feel the chemistry in here, baby baby baby  
Boy you make me feel so fine  
Boy you make me feel so good  
Boy you make me feel so right  
Baby baby baby  
Oh is it love that's in the air, baby baby baby

Shh shh shh shaking me if I'm dreaming  
Shh shh shh shaking me if I'm dreaming  
Shh shh shh shaking me if I'm dreaming  
Shake me, baby baby baby

Oh is it love that's in the air, baby baby baby  
Oh, feel the chemistry in here. baby baby baby  
Boy you make me feel so fine  
Boy you make me feel so good  
Boy you make me feel so right

Baby baby baby  
Oh is it love that's in the air, baby baby baby

Come on come on  
Come on come on

Baby baby baby

Come on come on  
Come on come on

Baby baby baby
