

# Is This Familiar

## Katchafire

This is the rhythm of fire.  
This is the rhythm of love.  
This is the rhythm of fire.  
This is the rhythm of love. Baby, wants to get your shine on, right now, right now.  
Baby, wants to get your shine on, right now, right now.  
Bumps be power tripping, right.  
Is this familiar?  
It's almost a quarter to five.  
Is this familiar? (four times)  
Oooh, Ahhhhh. I'll make you jump, jump, jump, jump.  
Does it make you feel alive?  
Does it make your doorbell ring?  
So, hit the dance floor tonight. Yeah, yeah.  
There is only good vibes to bring. Don't fall back, just illuminate.  
Don't fall back, just illuminate. Ooooh.  
Is this familiar? (four times)  
Oooh, Ahhhhh. Baby, wants to get your shine on, right now, right now.  
Baby, baby, baby, baby wants to get your shine on, right now, right now.  
They want to lick you up like crÃ©me brulÃ©e  
Is this familiar?  
You have the right to a dance parade. Yeah.  
Listen. Is this familiar? (four times)  
I'll make you jump, jump, jump.  
Are you rocking from left to right?  
I'll make you dance and shout.  
Let the prism of love paralyze you.  
Let it consume your negative feelings. Combine the groove and the horn line, baby  
Combine the groove and the horn line, baby  
(horns)  
Is this familiar? (four times)
