

How We Do It

Mario Vazquez

Oh, yeah, yeah, yeah, yeah
Doobey, doobey doo, yeah, yeah, ohHow come lovin' the one you love sometimes can make you mad?
Why's it feel like sometimes they ain't got your back?
Or could it be that we're just toxic but we'll work it out?
Oh baby, we already know that there's no doubtThat you gon' come around
And I'm gon' lay you down
That will work things out, baby
And girl you knowThis is how we do it, oh
Girl me and you we fight sometimes
This is how we do it girl
And me and you be in love sometimesThis is how we do it
We're breaking up, we're making up
Sometimes it's rough but I ain't giving you up for no one
I ain't trading you in for no one, that's just how we do itSometimes you complain that I ain't never 'round
enough
And when we disagree all we do is fuss
But I don't care girl it's me and you girl somehow we work it out
And you yell and scream, yeah we fight but we work it outThat you gon' come around
And I'm gon' lay you down
That will work things out, baby
Oh girlThis is how we do it, oh
Girl me and you we fight sometimes
This is how we do it girl
And me and you be in love sometimesThis is how we do it
We're breaking up, we're making up
Sometimes it's rough but I ain't giving you up for no one
I ain't trading you in for no one, that's just how we do itGirl you know we could been stop if we wanted too
And you know, you know but this is how we do it
And you know I'll spend the rest of my life
Fightin' and makin' up with you, oohThis is how we do it
Girl me and you we fight sometimes
This is how we do it
And me and you be in love sometimesThis is how we do it
We're breaking up, we're making up
Sometimes it's rough but I ain't giving you up for no one
I ain't trading you in for no one, that's just how we do itWe go back and forth
Back and forth, back and forth
You know, you know we go back and forth
Back and forth, back, this is how we do itYou know, you know we go back and forth

Back and forth, back and forth
You know, you know we go back and forth
Back and forth, back, this is how we do it You know, you know we go back and forth
Back and forth, back and forth
You know, you know we go back and forth
Back and forth, back, this is how we do it You know, you know we go back and forth
Back and forth, back and forth
You know, you know we go back and forth
Back and forth, back, this is how we do it
