Beautiful Truth

The Proclaimers

Beautiful beautiful beautiful truth
Don't leave because I can't see you
You know the hours that I passed without you
Every heartbeat that I chose to flout you
And how I felt no shame
I know this problem is of my own making
I know you're giving here and I'm not taking
But please don't leave this place
Let me complicate what you made simple
By looking fancy or sounding boastful
Please bring me down
Arid now that I have said what's on my mind
And its obvious that I am blind
Please say you'll stay
Spin me round
Bring me down
He my sound
But don't leave.
