

# Letting Go

Robyn Cage

I take your hand in mine  
Remind you of my name  
Try to make you smile  
Distract you from the pain  
The color of your eyes  
has changed since yesterday  
their old familiar light  
Has begun to fade  
All I can give you is a hand to hold  
Tell you that I love you  
You already know  
Tell you to hang on  
But you're letting go  
You're letting go  
Somewhere in your heart  
You've decided it's your time  
You'll journey to the stars  
Leave this world behind  
All I can give you is a hand to hold  
Tell you that I love you  
You already know  
Tell you to hang on  
But you're letting go  
If I had a choice I'd get you out of this place  
Give you a reason to last another day  
I still have hope you'll find a way  
but we both know it's already too late  
All I can give you is a hand to hold  
Tell you that i love you  
You already know  
Tell you to hang on  
But you're letting go  
You're letting go  
You're letting go  
I'll let you go
