

The Heart's a Lonely Hunter (feat. David Byrne)

Thievery Corporation

The truth is unspoken, a promise is broken
Im under surveillance, they know what my name is
I need some protection, some love and affection
Theres 1000 reasons but one is the number Welcome to my spaceship
Its beautiful forever
Well, shes right here where you left her
And the hearts a lonely hunter Save bottles of water and flour and sugar
Turn off the AC and hang up the bed sheets
Cover the windows, careful when the light goes
Yank out the cable and blow out the candles Welcome to my spaceship
Youre beautiful forever
Shes right here where you left her
And the hearts a lonely hunter Perfectly molded, almost unfolded
Under the counter well, that is your nature
Drip grind or roasted, buttered or toasted
The greater the DB's the higher the AC Psycho acoustics down in the black seats
Stereo nation, amplification
The brave and the righteous, theyre safe in their houses
Now one is just a number, the hearts a lonely hunter
One is a number, heart is a hunter
One is a number and heart is a hunter Welcome to my spaceship
Youre beautiful forever
Shes right here where you left her
And the hearts a lonely hunter Welcome to my spaceship
Youre beautiful forever
Shes right here where you left her
And the hearts a lonely hunter
