The Rutles

Easy listening
I'm in that easy listening mode
Easy listening
Why don't we do it in the middle of the road? Kick off your shoes, sit back, relaxez-vous
Tell me what more can an old rocker do? Easy listening
Easy listening Easy listening
(Never mind the world outside)
Easy listening
(Famine, war and genocide) Easy listening
(Forget the looney on the loose)
Easy listening
(Rising crime and child abuse) Ignore the poisoned atmosphere
Open up another beer
The media feeds ya everyday
What to think and say Kick off your shoes, sit back, relaxez-vous
(Relaxez-vous, relaxez-vous, relaxez-vous)
Tell me what more can an old rocker do?
(Rocker do, rocker do) Easy listening
(Life could be a dream)
Easy listening
