A Hole In The Wall

KMFDM

When I have to die I want to strangle myself in your black hair
When I have to die I want to suffocate between your sweet breastsWhen I have to die I want to be blinded by your brown eyes
When I have to die I want to cut my veins on your lipsI have not yet ruled enough
My hands in chains
The break, the hole in the wallWhen I have to die I want to starve in your lap
When I have to die I want to burn in your bedWhen I have to die I want to drown in your heat
When I have to die I want to be poisoned by your bloodWhen I have to die I want to melt away from your kiss
And then when I'm dead, bury me close to your heart
