

It's Nothin (feat. 2 Chainz)

Wiz Khalifa

Count another grip, smoke another zip
Let them young niggas tell it I be on my shit
Make a hundred k, spend it all today
What can I say, my DNA is Givenchy
What my swag is, retarded
What I'm driving, Ferrari
What I'm rocking, Armani, Gianni, Versace, huh
Fuck around and I'll buy one of you broke niggas
My change, insane
My chain, oh that thingIt's nothing, it's nothing
It's nothing, it's nothing
Stackin' cheese till my bread right
Smokin' weed till my head right
Did it all on my own so, I'ma spend all my bread like
It's nothing, it's nothing
It's nothing, it's nothing
It's nothing, it's nothing
It's nothing, it's nothing
Stackin' cheese till my bread right
Smokin' trees till my head right
Did it all on my own so, I'ma spend all my bread like
It's nothing, it's nothing
My hair longer than your girl
Go shawty it's your world
Sub-zero flow, when I spit, I see snow flurries
Scarface, all out
All I want in this world
I mean all I want for lunch, is a blunt, and your girl
It ain't nothin' to me but it's somethin' to you
Count money like it's somethin' to do
Summer time I'm like fuck the roof, winter time I'm in 'Lo boots

And uh, it's nothin'

I like being high because it's a better view

And, I told your ho my chain so cold it's on TherafluIt's nothing, it's nothing

It's nothing, it's nothing

Stackin' cheese till my bread right

Smokin' weed till my head right

Did it all on my own so, I'ma spend all my bread like

It's nothing, it's nothing

It's nothing, it's nothing

It's nothing, it's nothing

It's nothing, it's nothing

Stackin' cheese till my bread right

Smokin' trees till my head right

Did it all on my own so, I'ma spend all my bread like

It's nothing, it's nothing

It's nothing, it's nothing

It's nothing, it's nothing

It's nothing, it's nothingYou niggas chasin' money I'm on top of it

If it ain't money don't know what the topic is

Don't come out till next year that mean I'm rockin' it

Order thirty-seven bottles call it poppin' shit

Goddamn, what you on?

A private plane, fuck you on?

Party in south of France when it's cold

Used to rock all that old shit till it got oldIt's nothing, it's nothing

It's nothing, it's nothing

Stackin' cheese till my bread right

Smokin' weed till my head right

Did it all on my own so, I'ma spend all my bread like

It's nothing, It's nothing

It's nothing, It's nothing

It's nothing, It's nothing

It's nothing, It's nothing

Stackin' cheese till my bread right
Smokin' trees till my head right
Did it all on my own so, I'ma spend all my bread like
It's nothing, it's nothing
It's nothing, it's nothing
It's nothing, it's nothing
It's nothing, it's nothing
