

# Why worry

Mark Knopfler

Baby i see this world has made you sad  
Some people can be bad  
The things they do, the things they say  
But baby I'll wipe away those bitter tears  
I'll chase away those restless fears  
That turn your blue skies into gray Why worry, there should be laughter after pain  
There should be sunshine after rain  
These things have always been the same  
So why worry now Baby when i get down i turn to you  
And you make sense of what i do  
I know it isn't hard to say  
But baby just when this world seems mean and cold  
Our love comes shining red and gold  
And all the rest is by the way Why worry, there should be laughter after pain  
There should be sunshine after rain  
These things have always been the same  
So why worry now
