## Lizzo

[Hook]
Where the hell my phone? Where the hell my phone?
Where the hell my, where the hell my phone, huh?
How I'm 'posed to get home?
Where the hell my phone? Where the hell my phone?
Where the hell my, where the hell my phone, huh?
How I'm 'posed to get home?[Verse 1]
Okay, 2:15 and the lights come on, where my phone?
Looking around like where my phone?
Looking where my homies went
Where the hell my homies went?
Where the hell my homies went?
How I'm 'posed to get home?
How I'm 'posed to get home?
Walking home with my feet all sore
Walking home with my feet all sore
What the hell these Louboutins for?
What the hell these Louboutins for?
Walking home and it's damn near 4
Walking home and it's damn near 4
What the hell these Louboutins for?
What the hell these Louboutins for?Yeah, I was getting it, looking real cute
Up in the club, man, how do you do?
Hair ain't a don't, hair is a do
Ooh, he fine! What's up with you?[Hook]
Where the hell my phone? Where the hell my phone?
Where the hell my, where the hell my phone, huh?
How I'm 'posed to get home?
Where the hell my phone? Where the hell my phone?
Where the hell my, where the hell my phone, huh?
How I'm 'posed to get home?[Post-Hook]
Ooh, unlock that, all up in my contacts
Hoo, unlock that, all up in my contacts
Hoo, unlock that, all up in my contacts
Hoo, unlock that, all up in my contacts
Oh my god, why?[Verse 2]
Yeah, and I seen that boy
Looked at me, but I got annoyed
'Cause he bought me a drink for a dolla'

Boy came over and he wanted to holla'
Boy came over and he wanted to holla'
Boy came over and he wanted to holla'
My song came on, so I hit the dance floor
Man I lost my, mmm, phone
Walking home with my feet all sore
Walking home with my feet all sore
What the hell these Louboutins for?
What the hell these Louboutins for?
Walking home and it's damn near 4
Walking home and it's damn near 4
What the hell these Louboutins for?
I don't know where I'm going[Hook]
Where the hell my phone? Where the hell my phone?
Where the hell my, where the hell my phone, huh?
How I'm 'posed to get home?
Where the hell my phone? Where the hell my phone?
Where the hell my, where the hell my phone, huh?
How I'm 'posed to get home?[Post-Hook]
Ooh, unlock that, all up in my contacts
Hoo, unlock that, all up in my contacts
Hoo, unlock that, all up in my contacts
Hoo, unlock that, all up in my contacts
Ooh, unlock that, all up in my contacts
Hoo, unlock that, all up in my contacts
Hoo, unlock that, all up in my contacts
Hoo, unlock that, all up in my contacts[Hook]
Where the hell my phone? Where the hell my phone?
Where the hell my, where the hell my phone, huh?
How I'm 'posed to get home?
Where the hell my phone? Where the hell my phone?
Where the hell my, where the hell my phone, huh?
How I'm 'posed to get
But you're holding it
Oh
