

# Turn Around

Carl Perkins

When you're all alone and blue  
And the world looks down on you  
Turn around, I'll be followin' you  
When you feel that love is gone  
And you realize you're wrong  
Turn around, I'll be followin' you  
Turn around, I'll be waitin' behind you  
With a love that's real and never, ever dies  
If you feel that love will last  
And you'd like to live your past  
Turn around, I'll be followin' you  
Oh, turn around, I'll be followin' you
