

She's Gone

Brutha

Say, oh, oh, oh
Say, oh, oh, oh
Say, oh, oh, oh
Feel like I lost my heart and misplaced my thoughts
And I don't know
Where did it all go wrong, I just couldn't see it comin'
Say, oh, oh
Maybe it was all my fault, I forgot how to treat a woman
I don't know
While I was playin' around and all the while I was losing
The best girl in my life for sure, for sure
Is about to up and walk out that door
She won't play number two anymore
Seems like the waters went dry and I don't know
So I'm telling her I'm ready to work on me
It's too late she's gone, she's gone, she's gone
I'm telling her I'm ready to meet her needs
It's too late, she's gone, she's gone, she's gone
See she decided to up and leave
Before I could give her my apologies
Wish I could bring that girl back to me
It's too late, she's gone, she's gone, she's gone
It's too late, she's gone
Say, oh, oh, oh
I wanna wake myself up from this nightmare that I'm dreamin'
I don't know
Why I took your love for granted, what the hell was I thinkin'?
Say, oh, oh
I'm missin' everything we had I'd do anything to get you back, yeah
I don't know
How I let you get away, guess it's the price that I paid, yeah, yeah?
Best girl in my life for sure
Is about to up and walk out that door
She won't play number two anymore
Seems like the waters went dry and I don't know why
So I'm tellin' her I'm ready to work on me
It's too late, she's gone, she's gone, she's gone
I'm tellin' her I'm ready to meet her needs
It's too late, she's gone, she's gone, she's gone

She decided to up and leave
Before I could give her my apologies
Wish I could bring that girl back to me
It's too late she's gone, she's gone, she's gone
It's too late she's gone
It's nights like this I wish
I would've never let my baby get away
Takes everything I have admitting my mistakes
Don't know if I can find my way without you, girl
Should have took that time to do the little things
I wish I knew what my neglect would bring
You to go further away
See now I know that it's too late
So I'm tellin' her I'm ready to work on me
It's too late, she's gone, she's gone, she's gone
I'm tellin' her I'm ready to meet her needs
It's too late, she's gone, she's gone, she's gone
See she decided to up and leave
Before I could give her my apologies
Wish I could bring that girl back to me
It's too late she's gone, she's gone, she's gone
So I'm tellin' her I'm ready to work on me
It's too late, she's gone, she's gone, she's gone
I'm tellin' her I'm ready to meet her needs
It's too late, she's gone, she's gone, she's gone
See she decided to up and leave
Before I could give her my apologies
Wish I could bring that girl back to me
It's too late, she's gone, she's gone, she's gone
It's too late, she's gone
Say, oh, oh, oh
It's too late, she's gone, she's gone, she's gone
It's too late, she's gone
Say, oh, oh, oh
It's too late, she's gone, she's gone, she's gone
It's too late, she's gone
