Count On MeÂ

Fool's Garden

You came from out of nowhere
Where will you go ?
It seems you've always been there
What do we know ?
You've put your life in our hands
Will we ever know why
You're so pure , you just say what you're thinking
You make everything so deepIn your smile, in your eyes
I can see so much of my life
Let your dreams always lead
I'll be there for you whenever you need
Count on meWhen you're weary and troubled
And when all their rules try to put you down
Keep your head always high and don't care what they say
Be yourself and ignore what they're thinking
The most beautiful souls sometimes bleedIn your smile, in your eyes
I can see so much of my life
Let your dreams always lead
I'll be there for you whenever you need
Count on meThey will shake you
Try to break you
But i know that they'll never succeed
Cause you are strong
Yes you're so strongIn your smile, in your eyes
I can see so much of my life
Let your dreams always lead
I'll be there for you whenever you need
Count on me
Count on me
Count on me
