

Tracey Gold (Fairlight Children remix)

Freezepop

tracey gold - where have you gone girl?
tracey gold - where in the world?
tracey gold - what have u done girl?
tracey gold - my heart's in a whirl over u -
my brain's in a swirl over u
- my hair's in a twirl over u...I want to touch your permed hair
tell boner life just aint fair.
stare at you without a care
now u are mine, now I am yourslove receiver - where did u go?
my dream weaver - nobody knows
lust deceiver - one that i chose
carol seaver - take off your clothe
tracey gold - where have you gone girl?
tracey gold - where in the world?
tracey gold - what have u done girl?
tracey gold - my heart's in a whirl over u -
my brain's in a swirl over u
- my hair's in a twirl over u...love receiver - where did u go?
my dream weaver - nobody knows
lust deceiver - one that i chose
carol seaver - take off your clothe
tracey gold - where have you gone girl?
tracey gold - where in the world?
tracey gold - what have u done girl?
tracey gold - my heart's in a whirl over u -
my brain's in a swirl over u
- my hair's in a twirl over u...
