

Utho Sakina Chadar Aayi Hai

Talib Allahabadi

Rokar ye beemar bola
Utho sakina chadar ayi hai
Mil gya humein parda
Utho sakina chadar ayi hai

Khul gye darwaze qaid k
Mil gyi rehayi qaid se
Ab nahi koi pehra
Utho sakina chadar ayi hai

Mil gye hain sab zadey safar
Mil gye hain kano ke gauhar
Mil gya tera kurta
Utho sakina chadar ayi hai

Khatm hue sab ranjo mehan
Khul gyi hain shano ki rasan
Ne dega koi sadma
Utho sakina chadar ayi hai

Jata hai watan kunba
Muntazir hai teri sughra
Hai akeli wo dukhiya
Utho sakina chadar ayi hai

Ho gye ahle haram reha
Jaega sab karbobala
Sotey hain waha baba
Utho sakina chadar ayi hai

Thi roney pe tere sakhtiya
Ab na dega koi ghudhkiyaan
Ji bhar k karo girya
Utho sakina chadar ayi hai

Neher par paani pine chalo
Ammu se aao milne chalo
Tum se hain wo sharminda
Utho sakina chadar ayi hai

Zinda hi hai ghar ab mera
Qabr se talib aayi sada
Ab na ye kaho bhaiyya
Uttho sakina chadar ayi hai
