

# The Black and White

## The Band CAMINO

Call it what you need,  
But don't blame yourself for me  
Don't blame yourself for me Cause I spaced myself from you  
Cause I got tired of hurting you  
But now I'm hurting too Call it a rivalry, call it a fight  
Call it what you want,  
But I need you tonight  
Call it a waste of time, call it right  
But don't call it off,  
Just call the black and white Call it how I see,  
But you can't wait too much for me  
And I can't stand that honestly  
So I pushed it all away  
Cause I wanted to see you this way  
But still I'd wish you stay Call it a rivalry, call it a fight  
Call it what you want,  
But I need you tonight  
Call it a waste of time, call it right  
But don't call it off,  
Just call the black and white I'm back to where I've been  
And my mind is where it bent  
I'll stare at your name  
But I'm far from dying yet  
I want to lay it on the line  
But all your calls decline  
This is the black and white  
Call it a rivalry, call it a fight  
Call it what you want,  
Cause I need you tonight  
Call it a waste of time, call it right  
But don't call it off,  
Just call me, call me, call me Call it a rivalry, call it a fight  
Call it what you want,  
Cause I need you tonight  
Call it a waste of time, call it right  
But don't call it off,  
Just call the black and white
