

Sad Serenade

Selena Gomez

Happier times
Flash through my mind
We both say it's over
And I believe it this time
All the pain that I hide
Let it play through the night
A sad sad Serenade
Sad serenade
We almost got it right
A sad sad serenade
Sad serenade
For every broken heart tonight
All that love that we made
Turn it up let it play
A sad sad serenade
Sad serenade
(Serenade) Hey, hey
I won't regret
What I won't forget
Memories and your number
Are all I have left
I wish you the best I really do
Even though I know that I'm still not over you
I know that we both are to blame, I can't believe
You didn't fight harder for me
It's a sad sad serenade
Sad serenade
We almost got it right
A sad sad serenade

Sad serenade
For every broken heart tonight
All that love that we made
Turn it up let it play
A sad sad serenade
Sad serenade
(Serenade) Hey, hey
The more you love
The more it hurts

When it ends, when it's over
All that's left are the memories
Playing over and over
In your head, in you heart
Turn it up, make it stop
Tonight all over the world
The most beautiful song ever heard
It's a sad sad serenade
Sad serenade
We almost got it right
A sad sad serenade
Sad serenade
For every broken heart tonight
All the love that we made
Turn it up let it play
A sad sad serenade
Sad serenade
(Serenade, serenade, serenade, serenade)
A sad sad serenade
Sad serenade
(Serenade) Hey, hey
