

I Don't Wanna Go (feat. Crystal Bowersox)

Blues Traveler & Crystal Bowersox

Last night moonlight hands
Pulling me closer in
Back and forth and dance
Remember the way that you
Dare me, scare me chance
Fate clearly telling me
This one right here
Now I don't wanna go, I wanna hold your hand
Let's skip the show and leave it up to the band
I don't wanna go til we're done with the dance
I don't wanna go, I don't wanna go
Bus leaves tomorrow for a foreign land
Ain't nothing wrong with a one night stand
But I'll stay here forever if you say that I can
I don't wanna go, I don't wanna go
Spotlight, flashlight, can
We make it happen
Forever be your man
Now is the moment I
Break my, make my stand
Promise you now that I
Sweetly, completely
Am I don't wanna go, I wanna hold your hand
Let's skip the show and leave it up to the band
I don't wanna go till we're done with the dance
I don't wanna go, I don't wanna go
Bus leaves tomorrow for a foreign land
Ain't nothing wrong with a one night stand
But I'll stay here forever if you say that I can
I don't wanna go, I don't wanna go
And I've
Come to know the moon
From every angle in every sky
As I
Want to come to know you
That climbs up into my every alibi I don't wanna go, I wanna hold your hand
Let's skip the show and leave it up to the band
I don't wanna go until we're done with the dance
I don't wanna go, I don't wanna go I don't wanna go, I wanna hold your hand

Let's skip the show and leave it up to the band
I don't wanna go until we're done with the dance
I don't wanna go, I don't wanna go
Bus leaves tomorrow for a foreign land
Ain't nothing wrong with a one night stand
But I'll stay here forever if you say that I can
I don't wanna go, I don't wanna go
I don't wanna go, I wanna hold your hand
Let's skip the show and leave it up to the band
I don't wanna go until we're done with the dance
I don't wanna go, I don't wanna go
