

# I Like It

## Nicole Wray

I know they don't like it  
When calling my phone and I'm out with my man  
Gettin' them nervous now  
'Cause I'm so caught up and I'm out having fun  
They didn't know what to do with me  
Playin' little games like I'm gon' hang around  
It's not what I'm all about (not what I'm all about) [yeah]  
I'm ready to settle down (ready to settle down)  
Ain't nothin' out there for me I'm tellin' you I like it, I like it  
When you hold, hold me  
I'm startin' to feel real now  
I'm givin' up the game for you Givin' up the big game  
Changing all my numbers  
Savin' all my kisses for you  
Givin' up the nightlife  
Comin' home to you tonight  
Savin' all my kisses for you, you, you I know you know, baby  
When I need his love and ain't nobody showin' no love  
I know he'll be there for me  
To pick me up and help me get back on the grind  
I just wanna shine with him (with him, with him)  
He set me free (set me free)  
Free to be me I'm tellin' you I like it, I like it  
When you hold, hold me  
I'm startin' to feel real now  
I'm givin' up the game for you Givin' up the big game  
Changing all my numbers  
Savin' all my kisses for you  
Givin' up the nightlife  
Comin' home to you tonight  
Savin' all my kisses for you, you, you Oh, oh, oh, oh  
Oh, oh, oh  
Oh, oh, oh, oh,  
Oh, oh, oh yeah... Givin' up the big game  
Changing all my numbers  
Savin' all my kisses for you  
Givin' up the nightlife  
Comin' home to you tonight  
Savin' all my kisses for you, you, you Givin' up the big game

Changing all my numbers  
Savin' all my kisses for you  
Givin' up the nightlife  
Comin' home to you tonight  
Savin' all my kisses for you, you, you  
Ooh...Oh, oh, oh, oh  
Oh, oh, oh  
Oh, oh, oh, oh,  
Oh, oh, oh yeah...
