

Bigger Than

For All Seasons

You are able to provide
You are faithful in perfect time
Your goodness overwhelms
I am held through the fire, You're my shield
Your protection never fails
No power can separate
I am safe You are bigger than all my fears
God of love, God my love
You are bigger than all my dreams
God my hope, God my peace
Whatever will come my way
Through each day I will say
God I trust You, I trust You
You're the treasure I desire
I surrender my whole life
For Your glory, my great reward
I am Yours, use me Lord You are bigger than all my fears
God of love, God my love
You are bigger than all my dreams
God my hope, God my peace
Whatever will come my way
Through each day I will say
God I trust You, I trust You You are the God who always sees us
Even in bare and desperate seasons
No matter what the circumstance
You are the rock on which I stand
You are the God who always sees us
Even in bare and desperate seasons
No matter what the circumstance
You are the rock on which I stand You are bigger than all my fears
God of love, God my love
You are bigger than all my dreams
God my hope, God my peace
Whatever will come my way
Through each day I will say
God I trust You, I trust You You are bigger than all my fears
God of love, God my love
You are bigger than all my dreams
God my hope, God my peace

Whatever will come my way
Through each day I will say
God I trust You, I trust You
