Ratcliff

Toro y Moi

A doctor and her lover settled in a Ratcliff home
Taking day trips to Bolinas, they can barely see the road
She says, "My meeting's cancelled, in the morning we'll stay
So baby, please waitLet me give you a hug until this is the light, touch your eyes
Or at least 'til the song finishes and we still try to sing along
Rock and roll is here to stayA boy who sings about how he's in a squeeze
Ends up with oranges and an onion to greet
She wears those earrings almost every day
[?]
Everything seems so simple, you can't tell if it's basically fake
[?]
Cars on the edge passing him off the hillLet me give you a hug until this is the light, touch your eyes
Or at least 'til the song finishes and we still try to sing along
Rock and roll is here to stay
