

# Spoonful

## Canned Heat

We could fill a spoon full of coffee  
We could fill a spoon full of tea  
Well, just a little spoon of your precious love  
Is good enough for me. Men lied about that  
Some of 'em cried about that  
Some of 'em died about it.  
Everything's a-fightin' about the spoonful  
That spoon, that spoon, that spoon. We could fill a spoon full of diamonds  
We could fill a spoon full of gold  
Well, just a little spoon of your precious love  
Will satisfy my soul. Men lied about that  
Some of 'em cried about that  
Some of 'em died about it.  
Well, everything's a-fightin' about the spoonful  
That spoon, that spoon, that spoon. We could fill a spoon full of water  
Oh, save them from the desert sands  
Well, just a little spoon of your precious love  
Saved you from another man. Men lied about that  
Some of 'em cried about that  
Some of 'em died about it.  
Well, everybody's fightin' about the spoonful  
That spoon, that spoon, that spoon.
