

# Adagio

## Canadian Brass/Berlin Philharmonic Brass

I don't know where to find you  
I don't know how to reach you  
I hear your voice in the wind  
I feel you under my skin  
Within my heart and my soul  
I wait for you

Adagio

All of these nights without you  
All of my dreams surround you  
I see and I touch your face  
I fall into your embrace  
When the time is right I know  
You'll be in my arms

Adagio

I close my eyes and I find a way  
No need for me to pray  
I've walked so far

I've fought so hard  
Nothing more to explain  
I know all that remains  
Is a piano that plays  
If you know where to find me  
If you know how to reach me  
Before this light fades away  
Before I run out of faith  
Be the only man to say  
That you'll hear my heart  
That you'll give your life  
Forever you'll stay  
Don't let this light fade away  
Don't let me run out of faith  
Be the only man to say  
That you believe, make me believe  
You won't let go
