

Jellyfish

Julian Smith

Jellyfish

Jelly fish

Jelly fish

Jellyfish

Take some jelly

Take some fish

Look at that sandwich

Delish

Just make sure you don't

eat a real jellyfish

OR YOU"LL DIE!

Jellyfish

Jelly fish

Jelly fish

Jellyfish

Jellyfish

Jelly fish

Jelly fish

Jellyfish

This world is full of compound words

Speak slower bro, where you won't be hurt

If you talk quick,

you might sound slick

but I also might think you just ask me to make you a real jellyfish sandwich

AND YOU"LL DIE!

Jellyfish

Jelly fish

Jelly fish

Jellyfish

Here the difference?

Jellyfish

Jelly fish

It's subtle but it could save your life

Jelly fish

Big old nasty fish

Jellyfish

Jelly fish

Jelly fish

Jellyfish
