## together PANGEA

I pick you up and we ride  
to the end of the earth  
We can give it a try  
but it'll never workOh no, I lied  
    Oh no, you cried  
    Oh no, you lied  
Oh no, I triedBadillac. Badillac. Badillac. BadillacWell I hate myself  
    and I hate the earth  
    We could give it a try  
but it'll never workOh no, I lied  
    Oh no, you cried  
    Oh no, you lied  
Oh no, I triedBadillac. Badillac. Badillac. Badillac
