Now What?

Lisa Marie Presley

When I left and I said, "Goodbye"
Did you know that I meant it, that time?
I guess that I didn't quite realize
What I was saying goodbye to, oh just yetThe only asphalt to pave my way, that was you
And damn it if I didn't try to do
Everything that I was supposed toAnd now, what do I do now?
Oh, I don't know 'cause I'm still leaving
Now who's gonna save me next time?
Oh, not you, ooh, for the first timeAnd the road to get to the other side of your rainbow
It wasn't for me oh, I guess
I couldn't live, not according to your path
I believe, at leastBut damn it if I didn't give it
A damn good shot
At least to try and beAnd what do I do now?
Oh, I don't know 'cause I'm still leaving
And now who's gonna save me next time?
No, not you, ooh, for the first time
But somehow I'll be alright
Somehow I'll be alright, oohWhen I left and I said, 'Goodbye"
Did you know that I meant it, that time?
And damn it if I didn't try to do
Everything that I was supposed toAnd now, what do I do now?
Oh, I don't know, oh, I'm leaving
And now, who's gonna save me next time?
Oh, won't be you, ooh, for the first time
But somehow I'll be alright
Somehow I'll be alright
