

# Build.Destroy.Rebuild.

## Hanni El Khatib

Ain't no future, in the youth  
No more culture, within your crew  
Yes, all the facts, that you knew  
Come someone, tell me what to doGotta build, and destroy  
They'll rebuild, and destroy  
Gotta build build build, and destroy  
They'll rebuild, and destroyOkay mama, please don't cry  
'Cause all us boys, yeah we're gonna lie  
Yeah, sometimes we're gonna make you sick  
Just close your eyes and you won't see shitOh build, and destroy  
They'll rebuild, and then destroy  
Oh, I'm gonna build build build, destroy  
they'll rebuild, and destroyOh wait heads up, in the sky  
I said wait wait wait, no please don't hide  
C'mon waitThey'll build build build  
Oh I say build build build  
C'mon mama build build build and destroy  
Oh build build build and then make noise  
Build, destroy  
Oh oh rebuild, destroy  
Oh build, and destroy  
And build build build oh and destroyAaah aaah aaah aaah  
Destroy!
