It's Not Enough

Unkle Bob

Pieces of me are all that you see,
I live in a moment in my memory.
I wait for emotion, I wait for reprise
I look in the mirror like I look in your eyes.Its not enough, it's not enough, it's not enoughAm i ever gonna find out, am I ever gonna know
Could be in front of my face, but I'd never know
If I end up content I'll have nowhere to goIts not enough, it's not enough, it's not enough, it's not enoughAll at once I'm in too deep,
All at once I need to speak,
All at once I let you go,
All at once i need to knowIts not enough, it's not enough, it's not enough, it's not enough
