

Yellow Submarine

[Sebadoh](#)

In the town where I was born
Lived a man who sailed the sea
[Incomprehensible]
In the land of submarinesWe all live in a yellow submarine
A yellow submarine, a yellow submarine
We all live in a yellow submarine
A yellow submarine, a yellow submarineIn the town where I was born
Lived a man who sailed the sea
[Incomprehensible]
In the land of submarinesWe all live in a yellow submarine
A yellow submarine, a yellow submarine
We all live in a yellow submarine
A yellow submarine, a yellow submarineIn the town where I was born
Lived a man who sailed the sea
[Incomprehensible]
In the yellow submarineWe all live in a yellow submarine
A yellow submarine, a yellow submarine
We all live in a yellow submarine
A yellow submarine, a yellow submarine
