

Reign

[Joe Sabolick](#)

Let Your Spirit fall
Let Your people come
Let the world know
Awesome is Your power
Like chariots of fire
Rushing mighty wind
The Heavens will tremble
Your Kingdom will not end

The Lord of Heaven reigns
His army's marching strong

Reign in the world
Reign in the nations
Reign in Your people as we come together
Reign in my heart
Reign in my soul
Reign in me Your Holy Fire
Reign in me

Let Your Spirit fall
Let Your people come
Let the world know
Awesome is Your power
Like chariots of fire
Rushing mighty wind
The Heavens will tremble
Your Kingdom will not end

The Lord of Heaven reigns
His army's marching strong

Reign in the world
Reign in the nations
Reign in Your people as we come together
Reign in my heart
Reign in my soul
Reign in me Your Holy Fire
Reign in me

Reign in the world
Reign in the nations
Reign in Your people as we come together
Reign in my heart
Reign in my soul
Reign in me Your Holy Fire

The Lord of Heaven reigns
His army's marching strong

Reign in the world
Reign in the nations
Reign in Your people as we come together
Reign in my heart
Reign in my soul
Reign in me Your Holy Fire
Reign in me

Let Your church rejoice
Proclaim the cross
Denying ourselves
Saving the lost
Never lookin' back
Until our coming day
Hands to the plow
Goin' all the way

The Lord of Heaven reigns
His army's marching strong

Reign in the world
Reign in the nations
Reign in Your people as we come together
Reign in my heart
Reign in my soul
Reign in me Your Holy Fire
Reign in me
Reign in me
Reign in me
