The Bread

Travis Bretzer

All my life all my life
I've been waiting baby
I've been waiting baby
All my life all my life
I've been waiting baby
I've been waiting patientWhen you got a dream
for living in the scheme
you never plan to be - down and out
so I'll take a blow or two
do the best that I can do
its a trip to get throughAll my life all my life
I've been waiting baby
I've been waiting babyAll my life all my life
I've been waiting baby
I've been waiting patientGetting to the age
of a collar and a wage
I'm counting down all the days
whats a boy to do
when theres nothing left to chooseAll my friends are living on the bread
all my friends are living like they're dead
all my friends are living on the bread
